Wikis in Blackboard Blackboard learn+

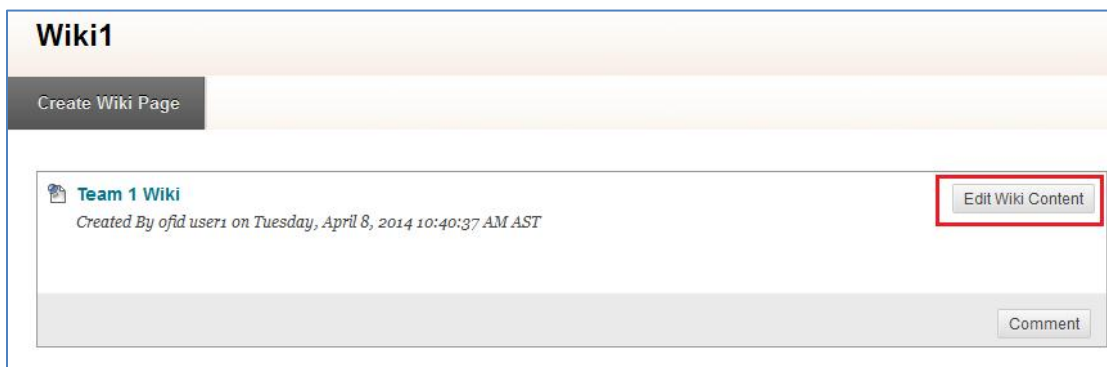

Sample Instructions for Students

Wikis in Blackboard 9.1: *Sample Instructions for Students*

- 1- Login to Blackboard and access our course
- 2- Click on the **Wiki** link on the left menu and then click on “**Wiki**”

- 3- Each team should create one wiki page starting with their team’s name.
Example: *Team 1 Wiki*
- 4- Individual Students can edit the wiki by clicking on “**Edit Wiki Content**”

- 5- Only one student can edit a Wiki page at a specific time. When a student edits a wiki page, it will **be locked** so others cannot make changes until he/she submits. Please make sure that when you finish editing a page, you **click submit or cancel** so it allow other to access it.
